deceived by false statements in regard to Mr
Pilimore's etrength. There are hundreds of
thousands in both sections now coming out for
Filimore, who prefer him to any other candidate, but have heretofore either remained ellent observers of pointial no elecuts or have
expressed a willingness to go for Bechanen or
Fremont hecause it was said in the South that
Filimore had no strength in the North, and in
the North that he has no strength in the South.

These men have now become conviced that These men have now become conviced that Mr. Fillmore has more strength in both sections than Buchanan and aufficient strength at the North to defeat Premont a discount list of the most pure-min'e', own election of he should receive the North to defeat Premont a discount list of the most pure-min'e', own election of he should receive the North to defeat Premont a discount list of the most pure-min'e', own election of he should receive the North to defeat Premont a discount list of the most pure-min'e', own election of he should receive the north pure-min'e', own election of he should receive the north pure-min'e', and the north pure-min'e', own election of the should receive the north pure-min'e', and the north pur

who election if he should receive the use of the Albany district in New York.
There is no possibility of the election of Buchanan. One he noted and forty rine electoral year the Albany district in New York.
He is e placely an "Old-Line Whig," and have relieve the received with the American yotes are required for an election by the people. If all the 120 electoral votes of he fifting the state of the place ple. If all the 120 electoral votes of he fif-teen Southern Sa sa were to be given to him be would still need (weaty-mine votes from the North to secure his election. His prospects in the North layer dwindled down to nothing. Even Pennsylvania, the only Sizte in which he has a shadow of a change left, has become

Ber March Service and Service of Service Servi

ACCESTONS TO FILL ORE — WASHINGTON Has hitherto been held off from the support of Mr. Fillmore by misrepresentations of his actual strength in each section, has already iscovered the shallowness of the trick and is fast ranging itself under the lane of the American candidates. The people will olonger be deceived by false etatements in regard to Mr. Fillmorets strength. There are hundring of a 2 lg at length their objections to the Fre-

own election if he should receive the under the war for everal year the Representative is

the North layer desired in the presence and estimative of every civilized contry on the globe. He were pennsylvania, the only State in which he has a shadow of a chance left has become very doubtful, but sould he get the vote of Pennsylvania, it would still be insufficient to elect him.

If Buchanar shoul obtain the vote of Pennsylvania and library later than the vote of Pennsylvania and the vote of Pennsylvania and the vote of Pennsylvania a

After a NAMESON AND ACT OF THE CONTROL OF THE CONTR

One of the most extraordinary events of the accident the suit between the heiss of Percanding, the hanker, who is so well known in the walked, a refugihe most card accident the properties of the implications of the suits of th

ions and this judgment of a man like Mr. Fillmore are worth a good deal to us who stand outside of this organization, and are worth a good deal to the rountry at large.

He lorks away from the more to the grander of the party. He finishese something agitation and stripe into which it has been adjusted to the rountry from a deastrons sectional agitation and stripe into which it has been adjusted for a noble and exigent purpose—that of saling the country from a deastrons sectional agitation and stripe into which it has been this declaration of purceiples a general rule prescribed, that as between Americans are to be preferred; or if he sees that the recognition of an alterance? I have seed to be inserted but one servant with for geners, candidates for effice. Americans are to be preferred; or if he sees that the recognition of an alterance? I have seed the with November. The postmaster wastaken to be preferred; or if he indo that a longer term of residence than herefore? Is proposed as a requisite for the nu unalization of foreign paupers and criminals; looking at these propositions, he rolline seems to see as them any great cause for clarm or the restoants body, nor on the other hand, coos he sein upon at magnify them is to induce importance, or noted them.

consider for the number of foreigners, and that it is proposed also that the country should be no located on the fivation of foreigners, and that it is proposed also that the country should be no located on the fivation of foreigners, and the first of accordance with the principles maintained accordance with the principles maintained accordance with the principles maintained accordance with the family was a judge of the country and to commond the peace between them. Looking at this party in this light, and as a possible agency of i finite zood to the country in two maintained to make the country in the country in the country was no marriage contract and no children, she was not contract and no children, she was no marriage contract and no children was no children was no children was no children was no ch

A paper having a large circulation will find this machine a great saving of labor and expense. The machine lass been in use about two months and is as good as new, but will be sold at less than cost.

A paper having a large circulation will find this machine a great saving of labor and expense. The machine lass been in use about two months and is as good as new, but will be sold at less than cost.

A paper having a large circulation will find this machine a great saving of labor and expense. The machine last paper having a large circulation will find this machine a great saving of labor and expense. The machine a great saving of labor and expense. The machine a great saving of labor and expense. The machine a great saving of labor and expense. The machine a great saving of labor and expense. The machine a great saving of labor and expense. The machine lass been in use about two months and is as good as new, but will be sold at less than cost. We would advise our cotemporaries of Anti, 392.

David I. Towles, Artl. 435. Sheriff—Jama; C Edwards, American, 699; John P. Brewer, Anti, 392.

We would advice our cotemporaries of the press to beware of a man who calls him self Dr. J. J. Up DeGraff, who is going over the courtry selling patent rights for stoves. He left this city without celling to settle his printer's bill of \$5.

Sparkling Catawba.—We have received from II. D. Rish, liquor merchant on Main street, between Severth and Eighth, a sample of his "Sparkling Catawba". If any one is ever troubled with the "blues," Rush's Catawba Mede county—The American party in November.

Mede county—The American party made

will get at least 200 majority in November.

Meade county — The American party made nominating (Friday) at 10 o'clock, at auctionrooms, 51 bags prime Rio coffee very slightly damaged; also 50 dozen Webster's Spelling Books, partially damaged; also 100 boxes No. 1 soap in prime order, with a variety of groceries, liquors, and imported organs: also 8 Le.

will get at least 200 majority in November.

Meade county — The American party made not nominations in this county for any office. Ditto and Overton were the only regular SagNicht Nominees. Kincheloe is not a member of the American, sarty, and the Americans voted for him and Stuart without reference to party. The average American majority in this county last year was 450. As far as any test can be applied in the present election it 1. 475.

Admir County—For Circuit Judge. A. I. Isoap in prime order, with a variety of grocenes, Equors, and imported cigars; also S Lebin's patent improved combination showerbaths.

Mr. C. C. Spencer has a fine lot of furniture for sale this morning at 10 o'clock et his auction rooms, No. 520 Main street.

Cumbertand County—Bramlette's majority
over James is 315; Morehead over Clerke fast
over James is 315; Morehead ning at the Union Engine House.

learn that Capt. Goslee and Capt. Church, logether with others, have bought six first class steamers, and intend to form a tri-weekly line of parkets between these two points, and also to form permanent and reliable connection between this place and Memphis; and by small boats to form a tri-weekly line between New Orleans and Nashville. These steamers will consist of the John Simonds, Ingomus, H. R. W. Hiel, Nebraska, Ben Franklin and Belfast, and will commence their trips about the middle of September. They will leave each port on alternate Tuesdays, Thursdays and Saturdays. Captaine Goslee and Church are well known in the lower river trade for their ability, carefulness and unremitting, polite and attentive consideration for all the wants and comforts tween this place and Memphis; and hy small ed

consideration for all the wants and comforts of their passengers. To travel upon their boats will be a sure guaranty for the enjoyment of all the pleasures and safety that the finest steamers upon our Western waters will afford. We are pleased that these gentlemen have undertaken to keep up these lines, for all who know them will be assured that whatever they undertaken will be assured that whatever they undertake they will do, and do it well.

AMERICAN STATE COUNCIL -The American State Council of Kentucky will hold its semi- a aunual session, at Lexington, on the third Wednesday, the 20th day, in August. A full at-Montgomery county.—Peters's majority over modes of delegates is very much desired.

A New Fillmore Paper.—Messrs. Bowen candidate and Peters, who is the Sag-Nicl candidate and Peters, who is the Sag-Nicl tendance of delegates is very much desired.

& Co., of this city, have commenced the publication of a new weekly paper, styled the Sunday Visitor. It espouses the cause of Fillmore and Donelson and the Union. It will be multished years Sunday. The receivers a proposition. published every Sunday. The specimen number npox our table is a neatly printed sheet.
